## Market Place Improvements

### Have your say on our proposals

We would like your views on our proposals to make Wantage Market Place a vibrant, welcoming, and accessible space for everyone.

Following on from our community engagement in 2025, we have developed plans which improve walking, wheeling, and public transport opportunities to make the space safer and healthier for all.

Our public engagement will run from **12 noon Wednesday 10 June** to **11:59pm Wednesday 8 July 2026**, during which you can view background information on the project and complete a survey.

You can take part by visiting

We will also be holding two drop-in exhibition events if you would like to see the proposals in person and have questions for the project team:

- **Tuesday 16 June, 5pm–8pm**

Both events will take place at
